Re: Industry Committee Meeting

Manufacturing Resource Advisory Committee Schedule Meeting

The Manufacturing Resource Advisory Committee, an advisory committee to the Arkansas Science & Technology Authority Board of Directors, will meet at 10 a.m. Wednesday, March 26, in the fourth floor conference room at 100 Main St., Little Rock.

The Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
